

NACM Contractors Bond Lawsuits

Fee Schedule

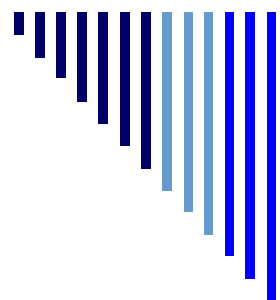

Notations:

- NACM will advance costs of \$400.00 for each claim to be filed. These costs cover filing, service and mailing fees. If the bond is clean and the total recovery including costs/attorney fees is less than the penal sum of the bond, then NACM will recover our costs in full. If however, the bond is impaired then the advanced costs may be recovered in whole or in part at the discretion of NACM.
- Once the bond has been paid, NACM will continue legal action against the contractor / business and/or personal guarantor at the standard commercial rate

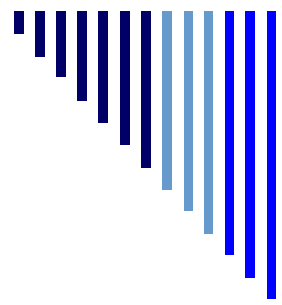

Definitions:

- Clean Bond – No other claims filed/paid prior to recovery which impair full payment of judgment awarded.
 - Impaired Bond - The bond has other claims filed against it and 100% of the judgment awarded is not recoverable.
-

Clean Bonds – No Claims (available to pay 100%)
