About the Auction

Please set aside March 13th and plan to attend our annual Orchid Auction. If you've never attended before, you're in store for a great evening with a spectacular venue. Arrive at 5:00 p.m. and spend a couple of hours enjoying a cocktail while browsing and bidding on hundreds of Silent Auction items before Centerplate Catering serves dinner. Choose from London Broil, Chicken or the vegetarian dish, Gnocchi. This year we're pleased to announce that instead of selling Keys we will be introducing an exciting new game. Details will be provided at the auction. The LIVE auction caps off the evening. Approximately one week before the auction you'll receive a "preview" of the items available.

Reservation and donation forms can be found online at www.nacmbcs.org. We hope we can count on you to support NACM's scholarship program by attending and donating an item to this worthy cause!

*Please note Corporate Tables are available and begin at \$500 for seating of 8. You may seat up to 10 at a Corporate Table with each additional person at \$50.00 each. They include complimentary wine as well as public recognition.

Since our first auction in 1996 your generous support has increased the scholarship fund by \$237,700 plus nearly \$57,700 has been given to our local CFDD chapters for use in their scholarship program. Who We Honor

The Alice McGregor Memorial Scholarship Fund was established in 1990 to recognize the many contributions made by Alice to NACM, both locally and nationally. This fund benefits credit professionals by providing scholarships to offset their credit education expenses.

Alice M. H. McGregor was National Chairman of the Board for NACM from 1989 to 1990. She was a member of NACM for 29 years and held credit education in high esteem. She was a graduate of NACM's Graduate School of Credit and Financial Management and was the first woman to receive the NACM Certified Credit Executive (CCE) designation nationwide. Alice was well known for her dedicated service within our local affiliate and served in many capacities, including chairman. She believed in cooperation and teamwork and that credit people are professionals worthy of higher education, executive status, and merit. She was, and continues to be, an inspiration to many credit professionals.
